

# Registrar Portal update

A review of recently introduced functionality and plans for the coming year

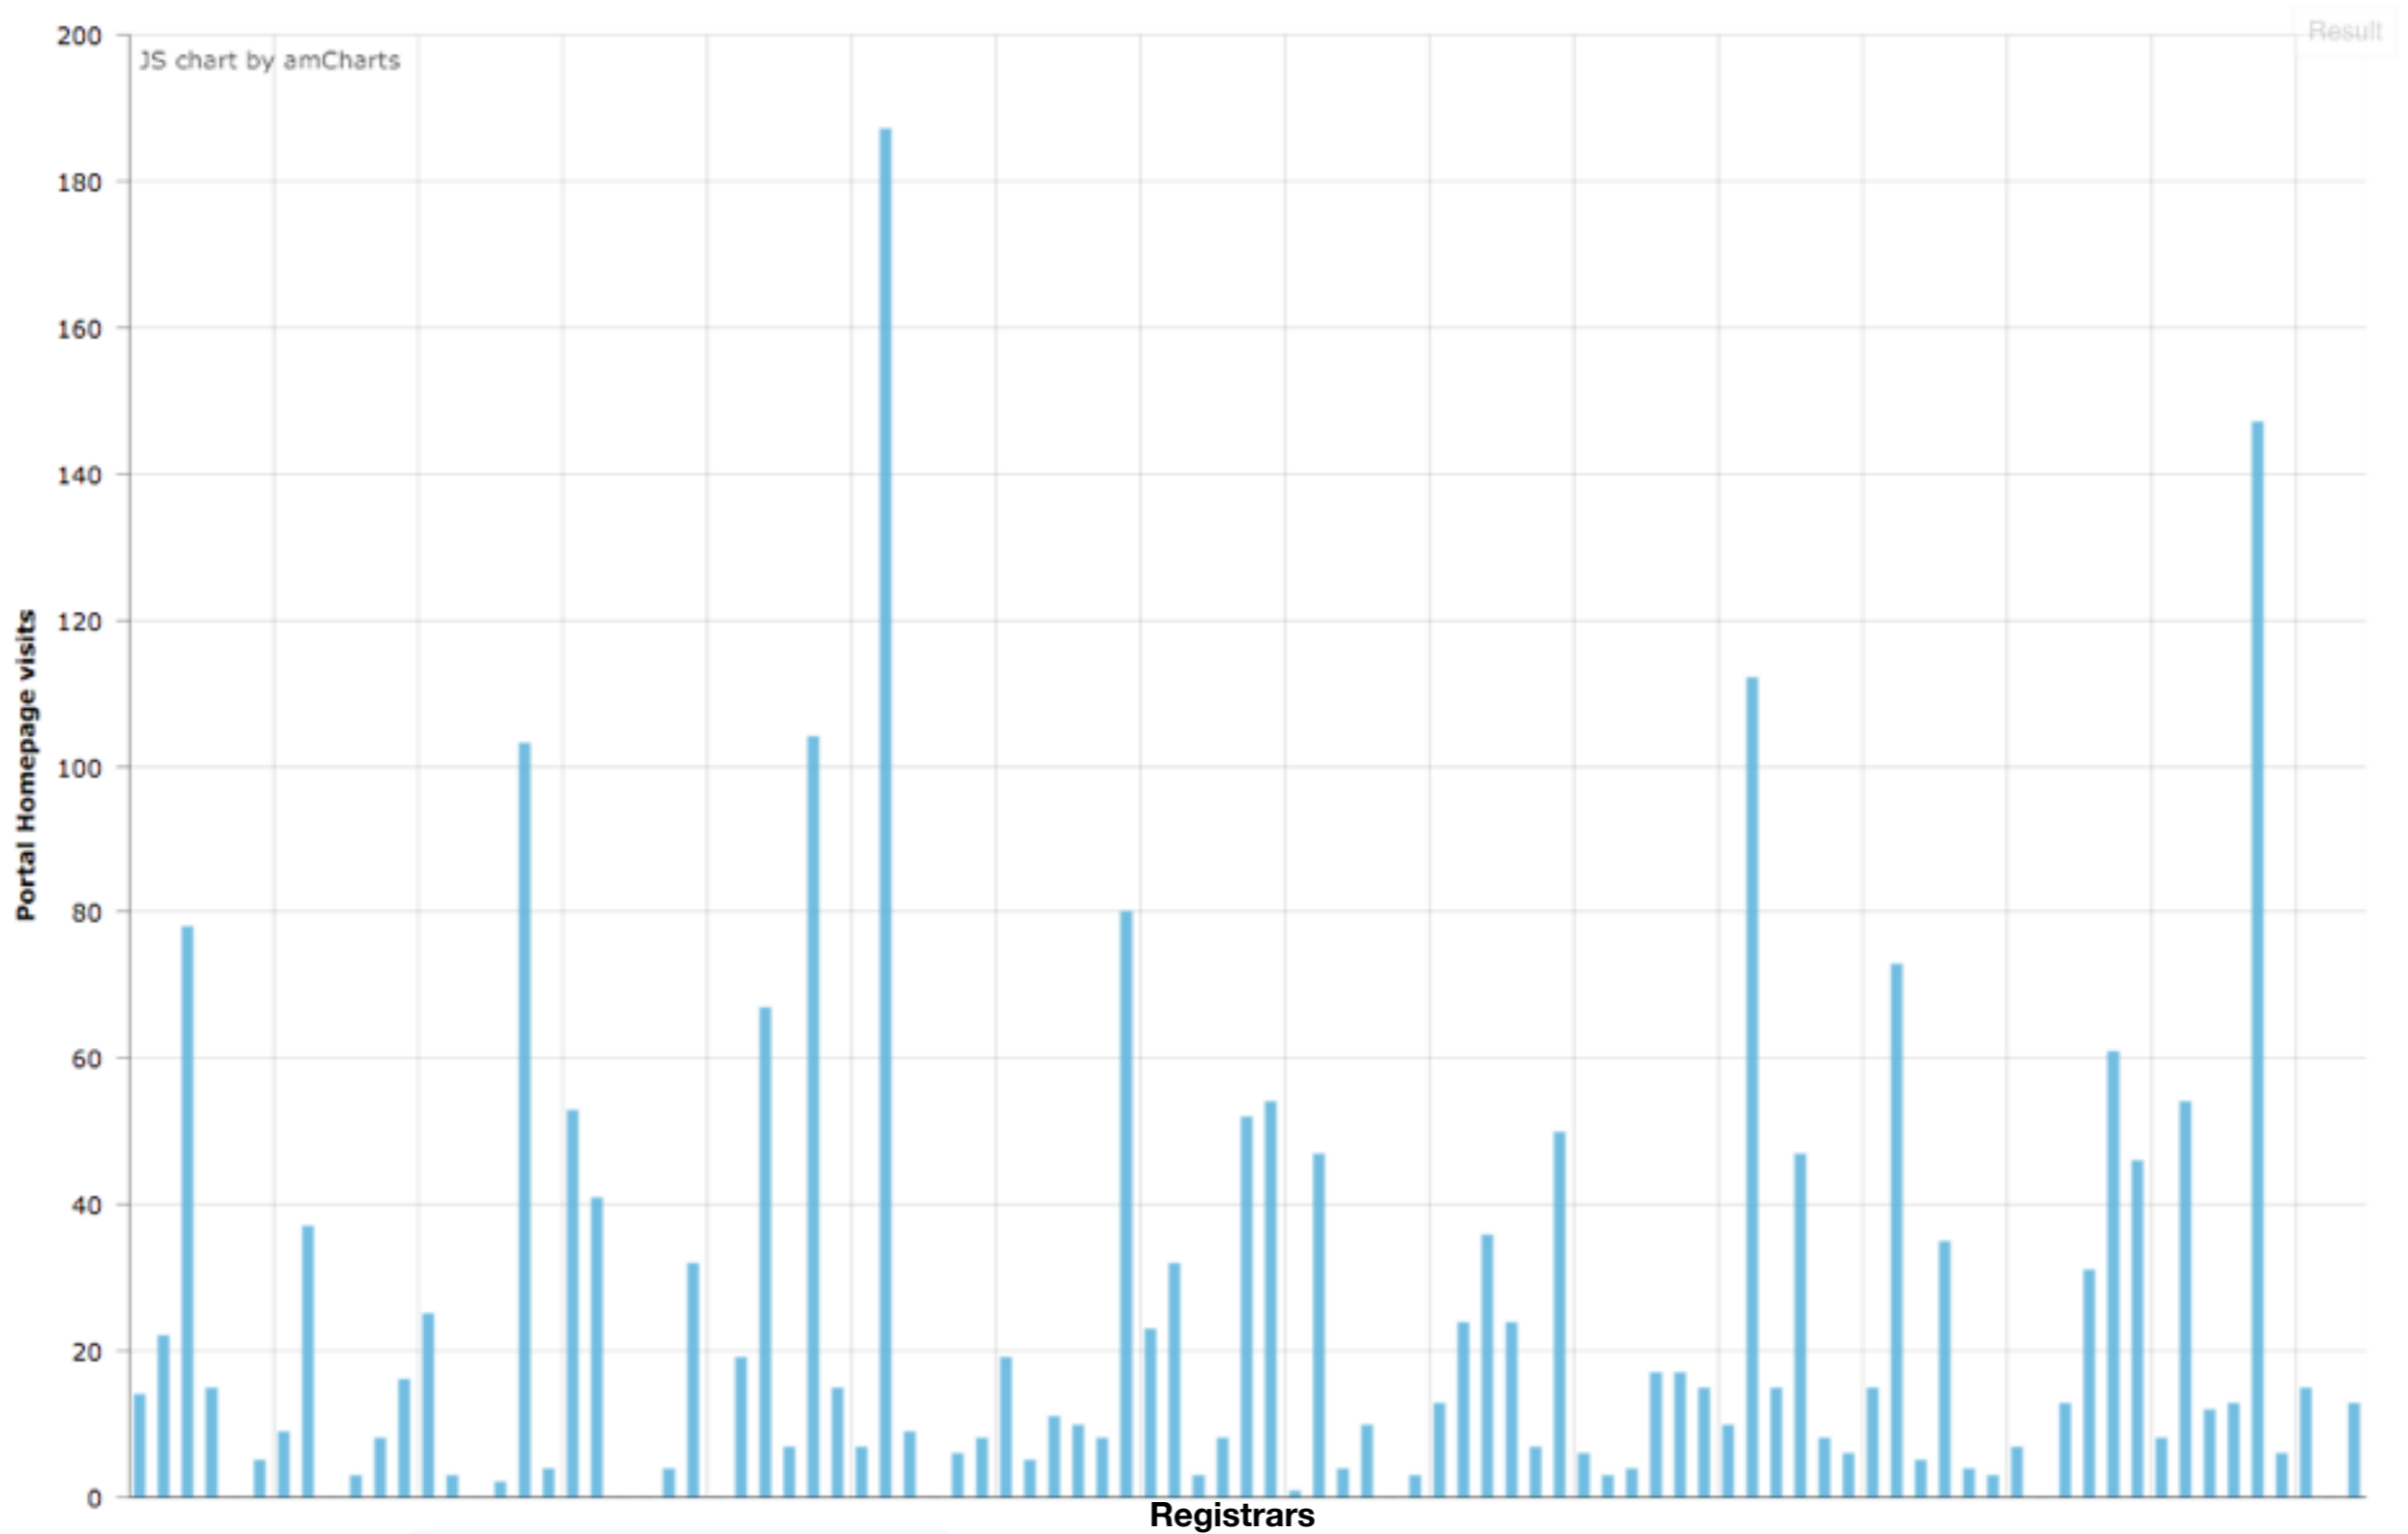

Heiko Wanning

# Portal, 1st year

first login: 15 January

# Portal usage

# Changes / new since first presentation

## changes:

- broaden search space on quality data
- error checks improved
- more details displayed (e.g. missing mandatory field: UDAI)
- make graphs and colours more consistent across pages/tabs

## new:

- registrar renewal rate graph
- add more data in renewals csv (e.g. expected renewals)
- 2nd level information
- User guide ([docs.nzrs.net.nz/portal](https://docs.nzrs.net.nz/portal))
- infographics in resources section

# Outlook : Portal Version 2

- new graphing library:

- re-organize layout
- fix usability inconsistencies/oddities
- provide invoice estimate
- recommendations for common errors
- supply more details for further quality issues
