

NZRS 2011

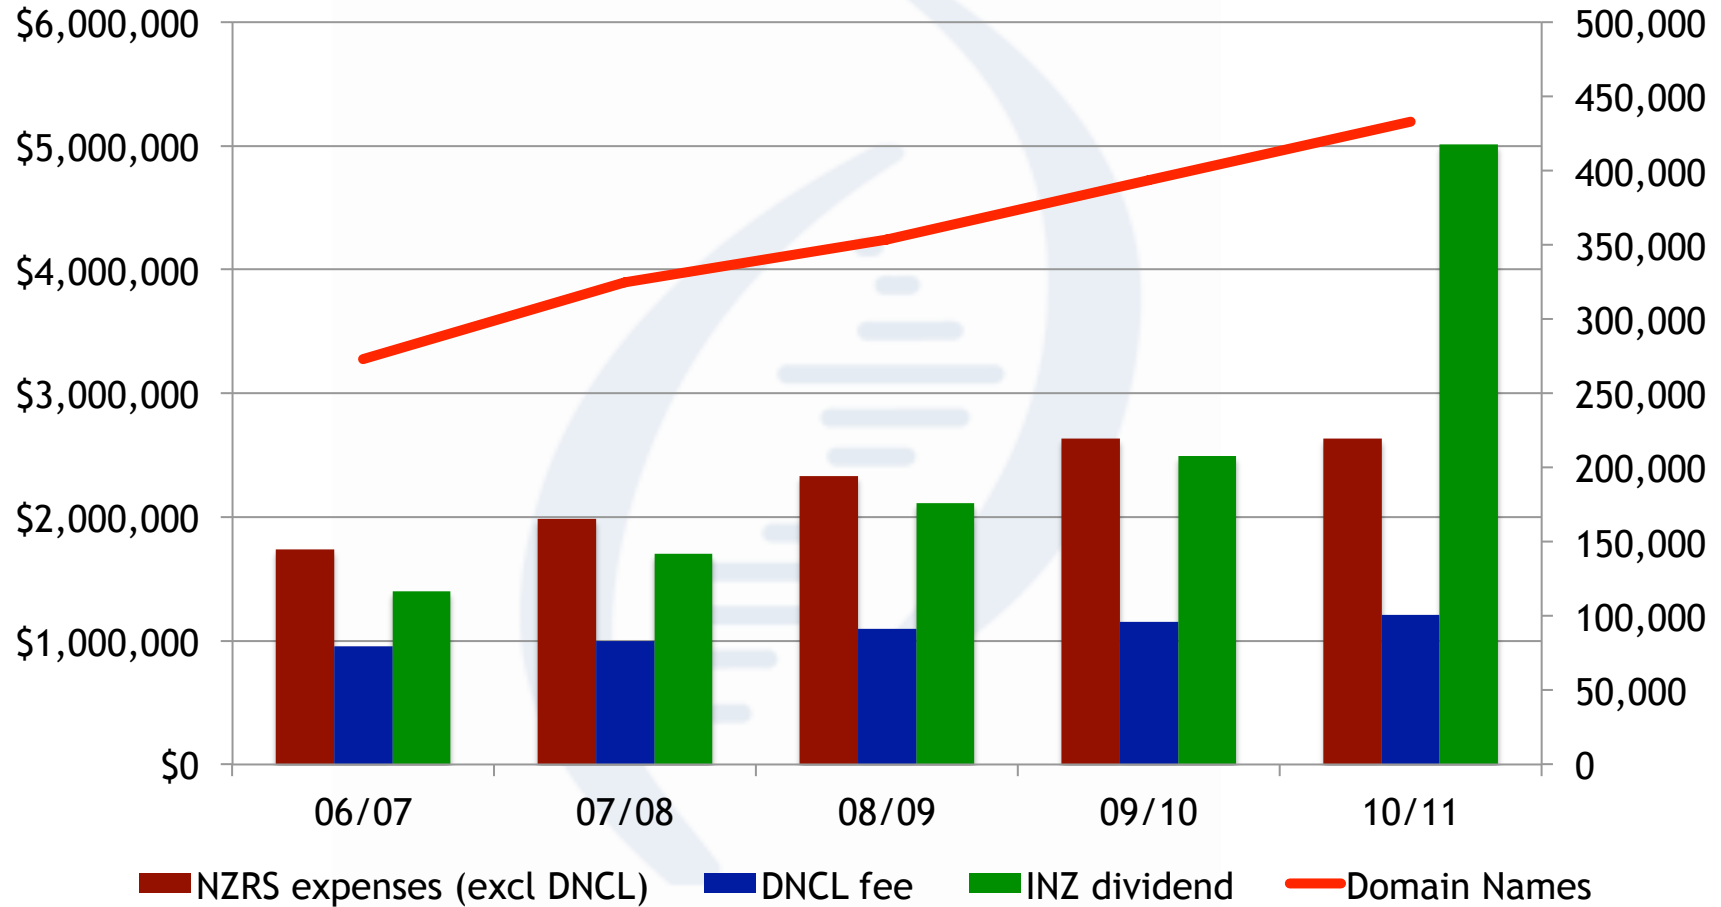

Donna Hiser, Chair
Jay Daley, CE

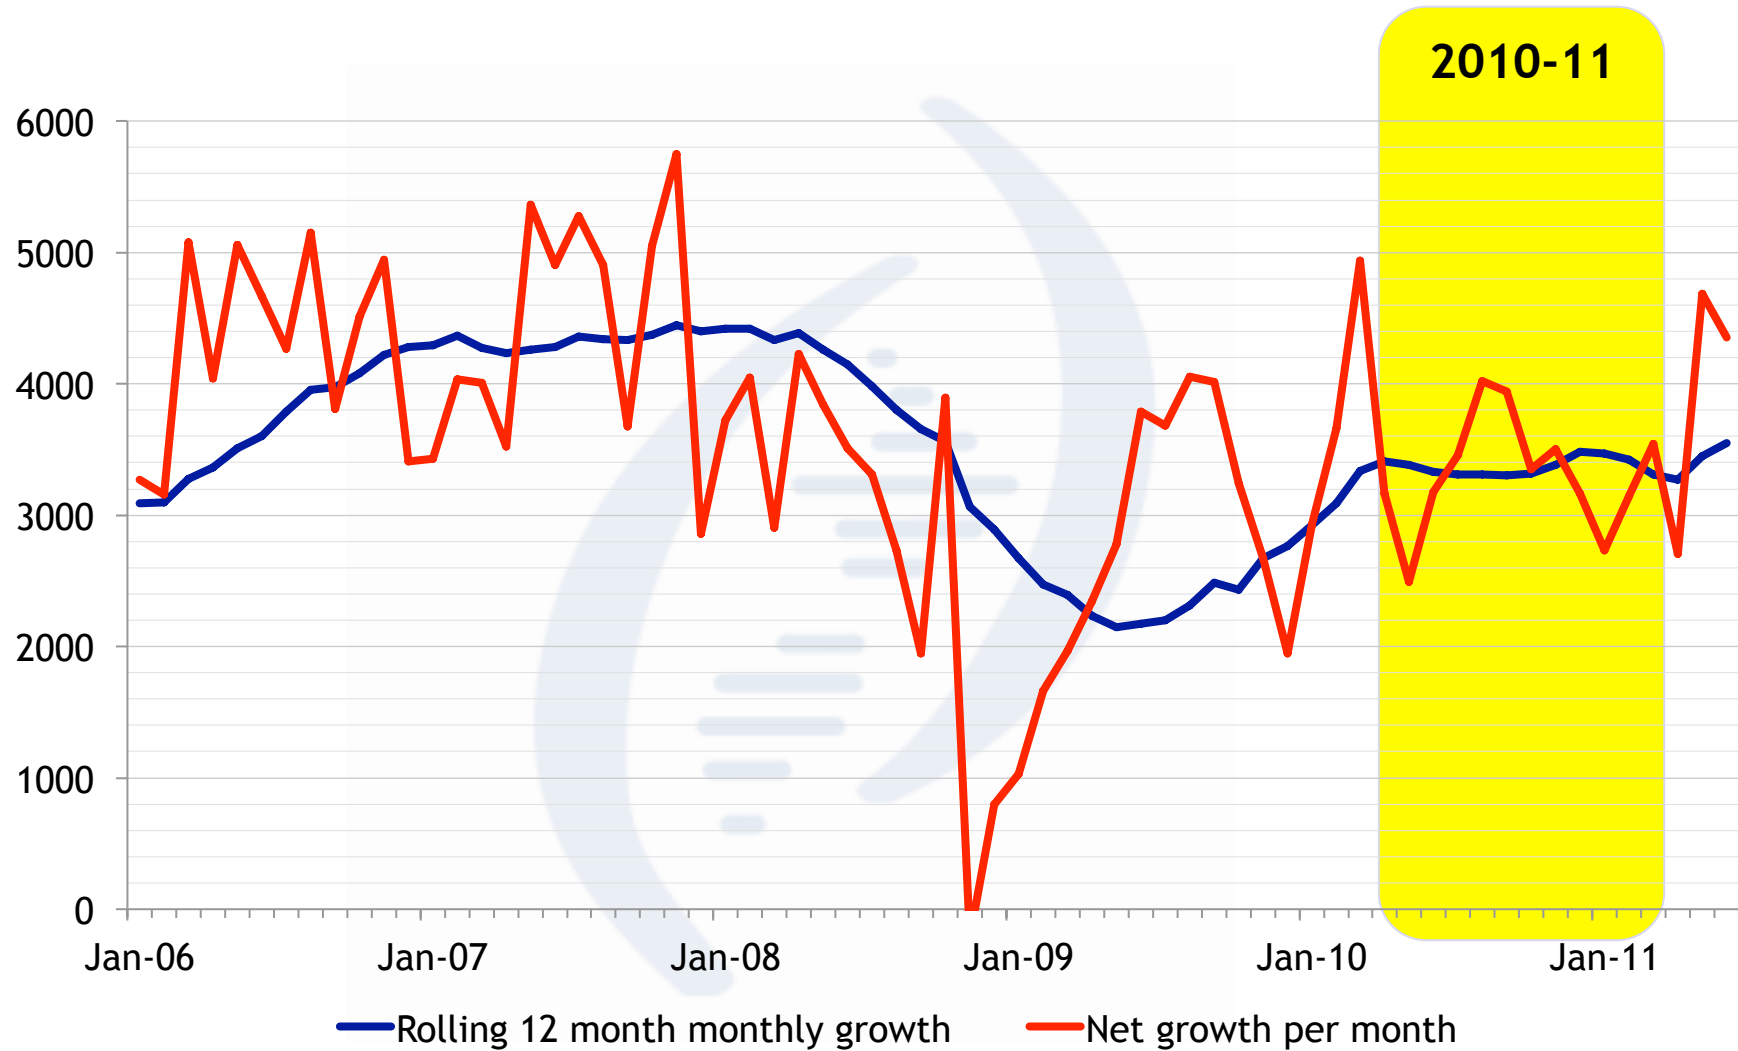

Revenue, Expenses, Profit

Application of revenue

Growth

Strategic Goal 1

- ④ “Deliver continuous domain name availability to registrars, their customers and all Internet users”
- ④ Completion of DNS roadmap project
- ④ Significant work on DNSSEC

Strategic Goal 2

- ❖ “Deliver world-class registry services that continually improve.”
- ❖ Implementation of EPP
- ❖ Full suite of security reviews of SRS including external penetration testing
- ❖ New set of client libraries and command line tools

Strategic Goal 3

- ④ “Make a tangible contribution to the achievement of InternetNZ’s vision, mission and strategic goals.”
- ④ Implementation of public NTP service
- ④ Relaunched web site for open source SRS
- ④ Supported INZ on telephone numbering, peering and content providers concerns

Strategic Goal 4

- ④ “Develop our services and technology within a long-term evolutionary framework to meet the future needs of Internet users.”
- ④ Push for certificates in DNS
- ④ Support of DIA Identity Management work

Strategic Goal 5

- ④ “Deliver, in partnership with DNCL, a successful long-term strategy for .nz.”
- ④ New strategic goal from group strategy day
- ④ Begun work with DNCL on joint strategy
